

Exclusive Webshop

You want to order online without having to search for the right product? Use our Webshop:

- › **Custom Service:** Products and specifications individually tailored to your needs
- › **Full service provider:** The complete BUHLMANN stock is available
- › **Live stocks:** See how much of the product is still in stock
- › **Large product variety:** More than 40,000 items are available online
- › **Direct interface:** Efficient process flow by linked systems
- › **Process optimization:** Shorter distances, faster delivery

Live tracking of your orders

You want to know when your material leaves our warehouse and when it arrives at your site? Our service provides the answers:

- › **Specific assignment:** You receive your individual shipment number
- › **Complete transparency:** As soon as the goods leave the warehouse, the shipment can be tracked
- › **Immediate information:** Automatic e-mail notice at the start of the shipping process
- › **Track smaller shipments of goods:** Tracking interface with our parcel service provider
- › **Tracking large shipments:** Interface with our in-house shipping partner Brinker-Fetten
- › **Extensive overview:** Order status can be viewed in the customer portal
- › **The portal also offers:** Invoices, delivery bills, certificates and more
